

YOUR HELPFUL GUIDE

— editing made easy! —

1. UNZIP

Your files will be in a zipped file format. Simply double click on the files to “unzip” them. If you have any trouble doing this, please let me know!

2. INSTALL

Be sure you have the latest version of Adobe Reader on your computer -don't edit this on your phone or ipad! You can grab Adobe for free here:

<http://get.adobe.com/reader/>

3. EDIT & SAVE

Choose the invite size you would like and open it in Adobe Reader. You will see blue highlighted text boxes - these are the sections that you can personalize. Simply click on the text and type! If you would like to change the font or color just press Ctrl + E for a PC or Cmd + E if on a Mac. Hit save as soon as you are finished.

4. PRINT

Print them at home or at your local print shop!
